Mānoa International Exchange (MIX)
E komo mai!

Welcome to the University of Hawai‘i at Mānoa!

The UHM Office of International and Exchange Programs is pleased to welcome you as an International Exchange Student to the University of Hawai‘i at Mānoa. While on exchange, you will not only increase your knowledge and skills in your field of study, but also participate in the unique multicultural environment which the UH Mānoa campus and the State of Hawai‘i offer.

You will also represent your university and your home country to the Mānoa community. We want to take this opportunity to learn from you at the same time that you are learning from us. We welcome you and hope that your time at the University and in Hawai‘i will be a wonderful experience.

The purpose of this Handbook is to help you with your transition to the University, to Honolulu, and to Hawai‘i. We invite you to read it carefully. It will provide you with some general information and will answer a variety of questions you may have. We hope this handbook will assist you in making a comfortable transition to campus life and help you derive the fullest benefits from your experience.

UHM is an Equal Opportunity/Affirmative Action Institution
Mānoa International Exchange (MIX) welcomes you!

Mānoa International Exchange (MIX) is one of the many ways the University of Hawai‘i at Mānoa demonstrates its commitment to international education and understanding. MIX provides an opportunity for UHM undergraduate and graduate students to study overseas and also allows students from overseas universities (like you!) to study at UHM. We are so pleased that you have chosen to experience UH Mānoa and the beautiful island of O‘ahu. We wish you an incredible experience, and warmly welcome you into our campus community.

We are here to assist you in any way we can, whether prior to your arrival, during your time here, or after you return to your home university. Our offices are located in Queen Lili‘uokalani Center for Student Services (QLC) room 206, next to International Student Services (ISS). We look forward to meeting you upon your arrival at UHM, and to seeing you at various events such as Orientation, International Coffee Hour, and the MIX Fairs.

We also have a team of MIX Interns and Volunteers comprised of UHM students who previously studied overseas. They know what it is like to go through the cultural adjustment process, and are eager to support you as you navigate your own study abroad experience.

All of us are here for you!

Darrell, Sara, and MIX Interns

Arrival Checklist

☐ Check in with MIX (Darrell Kicker and Sara Otis)
Come see us in QLC 206! We would like to meet you in person and know that you have arrived safely. The office is open Monday-Friday 8:30 AM – 3:30 PM.

☐ Get a TB test at University Health Services
University Health Services is located on campus at 1710 East-West Road. Clinic hours are Monday-Friday 8:00AM-4:00PM. You must visit the clinic two times. During the first visit, the TB skin test is administered. Then 48-72 hours later, you must visit again to have your skin checked for results. After the second visit, your MyUH registration hold will be lifted if your test results are negative.

☐ Attend an ISS Visa Clearance Session
All international students (in F-1 and J-1 status) must attend a mandatory Visa Clearance Session with International Student Services (ISS). Bring your passport, DS-2019 or I-20 form, and proof of health insurance. The ISS office is also located in QLC 206. Failure to attend a Visa Clearance Session will result in a hold being placed on your MyUH course registration on the first day of instruction (but will not prevent you from registering in MyUH before the semester starts). [http://www.hawaii.edu/issmanoa/](http://www.hawaii.edu/issmanoa/)

☐ Attend the Welcome Orientation & Pizza Social
All new international students, including exchange students, should attend the Welcome Orientation upon arrival. Helpful and practical information will be shared at the Welcome, as well as an orientation to UHM and Hawaiian culture. The Welcome will be followed by a brief tour and a time to socialize with other international students. [http://www.hawaii.edu/issmanoa/pages/home/new-students/orientation.php](http://www.hawaii.edu/issmanoa/pages/home/new-students/orientation.php)

☐ Take the ELI Placement Test
You are required to take the English Language Institute (ELI) Placement Test if your TOEFL score was below 100, your IELTS score was below 7.0, or you do not otherwise qualify for an exemption. See the ELI website to register for the test. [http://www.hawaii.edu/eli/](http://www.hawaii.edu/eli/)

☐ Register for your UHM Courses
Log in to MyUH to register for your courses online, once all of your holds have been lifted. For more information, see the MIX website: [http://manoa.hawaii.edu/mix/inbound_students/registration.html](http://manoa.hawaii.edu/mix/inbound_students/registration.html). After you register, we recommend exploring the campus and finding the buildings where your classes will be held.

☐ Get your Student ID Card and Validation
Once you have registered for at least one course, you may apply for your Student Identification Card at Campus Center 211 (Ticket & Information Window). Valid photo identification is required, so be sure to bring your passport. Once you have paid any fees that are due, your ID Card can be validated. With a validated ID Card, you can borrow library books, use the recreation center and pool, and get a U-Pass sticker that allows you to ride the bus for free throughout the entire island.

☐ Set up a local Bank Account (optional)
The closest bank is the American Savings Bank, located on campus in Hemenway Hall.

☐ Apply for a Hawai‘i State ID Card (optional)
It may be useful to have a Hawai‘i State ID Card, which you can use for official identification purposes. The cost is $40. Most exchange students would obtain a Hawai‘i State ID Card rather than a Social Security Card. (If you are a non-U.S. citizen, you only need a Social Security Card for employment.) For more information, see [http://hidot.hawaii.gov/](http://hidot.hawaii.gov/) or go to the Hawai‘i Department of Transportation at 1199 Dillingham Blvd., Driver Licensing A-101. You will need to present your passport and DS-2019 or I-20. Be prepared for long lines!

The People of Hawai‘i

Originally peopled by seafaring Polynesians, Hawai‘i’s history has been an interesting and controversial one in which the islands were an independent kingdom, a republic, a U.S. territory, and finally the 50th U.S. state.

Life and culture in Hawai‘i differ from life on the U.S. mainland in many ways. The people of Hawai‘i come from many different ethnic backgrounds, and many people here have mixed ethnic identities. The main groups you will find here are Japanese, Chinese, Caucasian, Korean, Filipino, Portuguese and Hawaiian. Many other ethnic groups are represented, including Vietnamese, Laotian, Cambodian, Thai, Okinawan, Samoan, Tahitian, Palauan/Micronesian, Tongan, Native American, African American and Hispanic.

One of the delights in living here is the variety of cultural festivals which take place throughout the year and which are attended by people of all backgrounds. These festivals take place in different locations around Honolulu, especially at Kapi‘olani Park, Magic Island, Ala Moana Park, Lyon Arboretum, Chinatown, and other places.

The mixture of ethnic groups and value systems in Hawai‘i can be confusing at times to newcomers who wish to “fit in” and are trying to find a culture with which to identify. It is necessary to be sensitive to the differences in cultural values exhibited by the people of Hawai‘i, and if there is some type of behavior that puzzles you, the best policy is to ask. Hawai‘i is considered by many to be a model of how people from different ethnic backgrounds can live and work together in harmony.

The capital of Hawai‘i is Honolulu, meaning “safe harbor.” It is located on the island of O‘ahu, “the gathering place.” The state has eight main islands, the largest called Hawai‘i, or the Big Island, and the smallest being Kaho‘olawe. The smallest inhabited island, Ni‘ihau, is privately owned and is a protected community of Native Hawaiians. The other main islands are Kaua‘i, O‘ahu, Moloka‘i, Lāna‘i and Maui. Contemporary Hawaiians are in the midst of a cultural re-awakening, and are actively studying their history and possible direction for the future. Both English and Hawaiian are official languages of Hawai‘i today, although for much of the last century, the Hawaiian language was suppressed. We encourage you to learn about the host culture during your stay in Hawai‘i.
